## New Business

Jerry Bush bought up the information gathered by Emma Kendziorski for a possible full time maintenance position for the township that could possibly be a shared position with Resort Township. There was much discussion whether a person could be found and if so, how much could one person versus possibly another seasonal person be needed due to the fact that Spring Lake and Jones Land Parks need bathroom and trash removal daily attention. After much discussion, Denny was asked to have one of the office people look into breaking out the bathroom cleaning needs separately from the lawn care maintenance. The rest of the committee to think the possibility of this position and we will be discussing again at next meeting.

Next meeting to be February 2021, per Jerry Bush unless needed sooner.

Joe Villemure made a motion to adjourn meeting at 7:35, Doug Kendziorski 2<sup>nd</sup> the motion, passed unanimously.
