## **HOMEOWNER'S PERMIT**

**Who is qualified to pull a Homeowner's permit?**

**This letter is to inform you of the meaning and USE of a "HOMEOWNERS PERMIT".**

**Act 230 of 1972, known as "The Stille-DeRossett-Hale Single State Construction Code Act" DOES allow a Homeowner to obtain building, plumbing, electrical and mechanical permits.**

**These permits allow the Homeowner to order inspections for work performed by them on their own home.**

**Any person other than a Homeowner MUST be licensed and MUST obtain their own permits and are responsible for ordering their required inspections before cover.**

**Permits are Non-Transferable. No other person Licensed or Unlicensed can work under any others "Homeowner" permits.**

**BY SIGNING THIS LETTER, I AGREE THAT I WILL BUILD TO THE 2015 MICHIGAN RESIDENTIAL CODE. I WILL CALL FOR INSPECTIONS REQUIRED BY THE BEAR CREEK BUILDING DEPARTMENT.**

**Homeowner's signature: \_\_\_\_\_**

**Please Print name: \_\_\_\_\_**

**Thank you,  
Bryan Conklin, Building Inspector
